## Introduction

Since we're all having so much fun at the World Cup, I couldn't resist creating a "**No Scotland, No Party**" crochet piece.

Let's be honest, we're probably not going to win the thing, but Scotland qualifying for our first World Cup since 1998 is reason enough for a celebration. Whether you're watching every match, belting out Flower of Scotland or just enjoying the atmosphere, this pattern is a bit of fun for fellow Scotland fans.

The design includes rows of traffic cones, inspired by the famous cones that adorn the head of the Duke of Wellington statue in Glasgow. Over the years, it has become one of Scotland's most recognisable and much-loved unofficial symbols. While you can crochet the cones in any colour you like, I recommend making them **orange** for the full effect!

I'd love to see your finished projects, so please share your photos online and tag @getyerhookon.

Thanks to Ann Marie [www.instragram.com/crochetscot](http://www.instragram.com/crochetscot) for crocheting this example.

Happy crocheting, and come on Scotland!

Abi 😊🇬🇧

## Materials

If using DK weight yarn, you will need approximately:

- Colour A – 267 metres / 292 yards
- Colour B – 165 metres / 181 yards
- Double border – 235 metres / 257 yards

This example uses Yarnsmiths Pebble Haze DK

<https://www.woolwarehouse.co.uk/yarnsmiths-pebble-haze-dk-all-colours>

- Colour A – Yarnsmiths Pebble Haze DK in White – 2 skeins
- Colour B – Yarnsmiths Pebble Haze DK in Blue – 1 skein
- Colour B – Yarnsmiths Pebble Haze DK in Orange – 1 skein

### **Tools:**

- 4mm hook (for the main body)
- Scissors
- Stitch markers

### **Size:**

The size (without the border) will be approx. 45cm x 40cm

### **Gauge:**

- 20 stitches and 20 rows for a 10x10cm tension square using a 4mm hook.

### **Abbreviations:**

This pattern uses **US terminology**.

- SC – Single crochet
- DC – Double crochet
- BS – Border stitch

## Mosaic crochet technique

- Every row is worked with **ONE** colour.
- Every stitch has one stitch worked into it, so in the written instructions, if you see 5DC, 2SC, you work one double crochet (**DC**) into the next five stitches, then one single crochet (**SC**) into the next two stitches.
- Fasten and snip the yarn after each row.
- Always work on the front side only – mosaic crochet does not require you to turn your work. Start the next row from the right-hand side on every row.
- **BS** means border stitch. This is a single crochet (**SC**) through **BOTH** loops.
- A blank box means you will crochet a single crochet (**SC**) in the **BACK LOOP** of the stitch in the row below.
- A box with an X means you will crochet a double crochet (**DC**) in the **FRONT LOOP** of the stitch two rows below.
- Any long rows of DCs will result in a flap on the back. This is totally normal, so don't panic thinking you're doing something wrong. There are ways you can anchor the DCs, so you don't have the flap, but this pattern doesn't explain that process.
- The back of your project will have a striped effect. Again, this is totally normal. There is a way you can make it reversible, but this pattern doesn't explain that process. There are various videos on YouTube explaining the reversible / negative stitch.

## How to read a mosaic chart

Mosaic charts can be a little confusing when you first look at them, but they're simple to read once you understand what you're looking at. On the chart below, the pattern of green and white boxes you see, is how it will turn out once it has been crocheted.

**You don't change colours halfway through the row to create the pattern.**

When reading a chart, you start at the bottom right of the chart and work all the way across to the left of the chart, using the colour stated on the right-hand side (This is for right-handers. Left Handers will read from the left of the chart across to the right) As shown below, you use one colour per row – all the way along. Fastening off at the end of the row and starting the next row again from the right-hand side.

You can use this chart, and the written instructions on the following page to practice mosaic crochet.

To create a practice piece, you need to chain 12 (or do a single crochet foundation of 11)

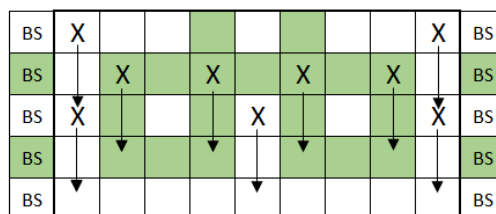

BS												9	8	7	6	5	4	3	2	1	BS
----	--	--	--	--	--	--	--	--	--	--	--	---	---	---	---	---	---	---	---	---	----

9	A	BS	X				X				X	BS	A	9	← Row 9	Colour A	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches	
8	B	BS		X		X		X		X		BS	B	8	← Row 8	Colour B	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches	
7	A	BS	X									X	BS	A	7	← Row 7	Colour A	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches
6	B	BS			X		X					BS	B	6	← Row 6	Colour B	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches	
5	A	BS	X									X	BS	A	5	← Row 5	Colour A	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches
4	B	BS		X		X		X		X		BS	B	4	← Row 4	Colour B	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches	
3	A	BS	X				X					X	BS	A	3	← Row 3	Colour A	=	Front loop DC in the stitches where there is an X. Back loop SC in the blank stitches
2	B	BS										BS	B	2	← Row 2	Colour B	=	There are no X's so you SC in the back loop in every stitch	
1	A	BS										BS	A	1	← Row 1	Colour A	=	Work your starting chain, and then turn and SC into every chain stitch	

BS												9	8	7	6	5	4	3	2	1	BS
----	--	--	--	--	--	--	--	--	--	--	--	---	---	---	---	---	---	---	---	---	----

*Where you see an X, you double crochet into the front loop of the stitch two rows below.*

Notes:

- These charts are just an example and don't relate to the patterns within this PDF.

## How to read the written instructions

BS	Border Stitch – Single Crochet through both loops
SC	Single Crochet in <b>back loop</b> of the stitch in the current row (regardless of the colour in the box)
DC	Double Crochet <b>front loop</b> of the stitch two rows below (regardless of the colour in the box)

The table of written instructions for each pattern tells you which row you're on, and which colour to use on that row.

In the example below, row 1 is highlighted in white, therefore you are crocheting the whole row in colour A.

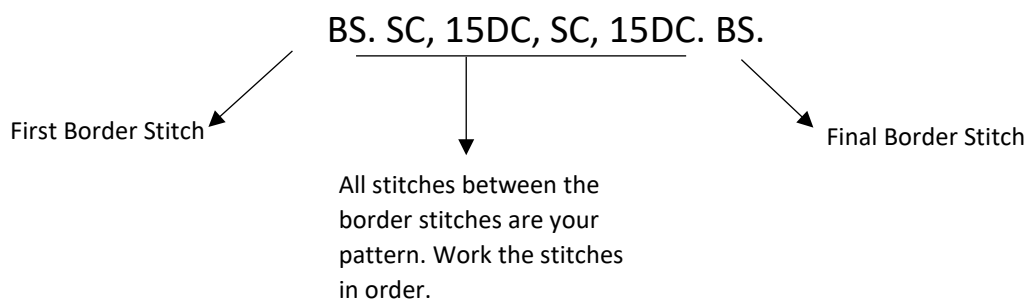

Row 2 is highlighted in green; therefore you are crocheting the whole row in colour B.

Once you have finished a row, you can use the checkbox to tick it off. So you remember which row you are currently working.

✓	Row	Colour	Instructions
	1	A	BS. 9SC. BS.
	2	B	BS. 9SC. BS.
	3	A	BS. DC, 3SC, DC, 3SC, DC. BS.
	4	B	BS. SC, DC, SC, DC, SC, DC, SC, DC, SC. BS.
	5	A	BS. DC, 7SC, DC. BS.
	6	B	BS. 3SC, DC, SC, DC, 3SC. BS.
	7	A	BS. DC, 7SC, DC. BS.
	8	B	BS. SC, DC, SC, DC, SC, DC, SC, DC, SC. BS.
	9	A	BS. DC, 3SC, DC, 3SC, DC. BS.

In the written instructions for this pattern, you firstly create the beginning border stitch.

Then you work the stitches in order and then the final border stitch.

### Notes:

- These instructions are just an example and don't relate to the patterns within this PDF.

## Border options

There are a few border options you can choose.

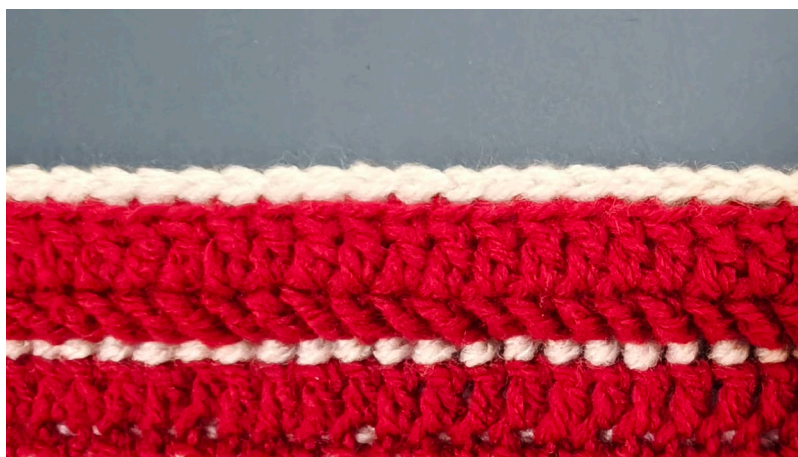

- You can weave all your ends in.
- You can crochet over your ends as you go.
- You can create a fringe border (remember and leave a good length at the beginning and end of every row).
- You can create a double border to hide in all your ends.
  - This video by the talented Heather Noble is pretty much the same as how I do my double border. The only thing I do differently is in the corners, I do 2DC, CH2, 2DC.  
<https://www.youtube.com/watch?v=JPAArFt1od0>

Make sure to drop down a hook size for the border – this prevents the border becoming wavy. If you used a 4mm for the blanket, drop down to a 3mm for the border.

For my border, I did 2 simple rows of DCs on both sides to create my double border. (You can crochet 3 rows if you prefer)

1. 1<sup>st</sup> Round – Colour A - Starting on the front side, at the bottom of the blanket, front post double crochet around each stitch until you get to the last stitch at the corner. Then work 2 front post DCs, chain 2, and another 2-front post DCs around the next stitch. Then continue around each side until the first round is complete.
2. 2<sup>nd</sup> Round – Colour A - Work a normal double crochet stitch (through both loops) on every stitch around. In the corners, you will work into the chain 2 space – 2DC, CH2, 2DC.
3. Follow steps 1 to 2 on the back side of the blanket (I used colour A on back side of the blanket, which is why you can see that line of silver on the border)
4. Join both borders together in Colour A, using a SC or a slip stitch (I prefer SC, but it's entirely up to you) In the corner spaces, work 2SC, CH2, 2SC.

- ← SC to join front and back border in Colour A
- ← DC through both loops in Colour A
- ← First border round – FPDC (Front Post Double Crochet) in Colour A

If you'd like to create a wall hanging, choose a wooden dowel that's slightly longer than your finished piece.

Once both borders are crocheted, slide the dowel between the two top sections, then join the borders together around it. This keeps the dowel hidden while giving your wall hanging stability and helping it hang straight.

## Chart legend

- |                                       |  |
|---------------------------------------|--|
| <input type="checkbox"/> BS           | Border Stitch – Single Crochet through both loops  |
| <input type="checkbox"/> X            | Double Crochet in front loop of the stitch two rows below                                  |
| <input type="checkbox"/>              | Single Crochet in back loop of the stitch one row below (the row you're working into)      |
| <input type="checkbox"/> A            | Work with colour A   |
| <input checked="" type="checkbox"/> B | Work with colour B   |
| <input type="checkbox"/> ✓            | If you print this document out, you can tick the check box once you have completed the row |

## Starting out on the pattern – Right-handed

- Row 1 - Using (Colour A) chain 92. SC in the 2nd chain from the hook, and all the way along (91 stitches per row from now on, including the two border stitches)

(Or you can create a single crochet foundation chain of 91 stitches)

Fasten off and snip your yarn.

- Row 2 - Using (Colour B) start from the right-hand side of your work and tie on your yarn, then work your border stitch (BS) by crocheting a single crochet (SC) through both loops of the same first stitch.

Then continue SC in the back loop of each stitch until you have one stitch left. Then create your last BS, again crocheting a SC through both loops. Chain 1 to fasten, then snip off your yarn.

- You can either follow the charts or the written instructions for row 3 and onwards.
  - If following the charts, follow pattern 1 first, and then continue onto pattern 2.
  - If following the Right-handed written instructions you can just follow each row, starting with row 1.

You can use this pattern checkbox to mark off when a pattern is completed. Helps you to remember where you are in the design. 😊

Total 79 rows

## Starting out on the pattern – Left-handed

- Row 1 - Using (Colour A) chain 92. SC in the 2nd chain from the hook, and all the way along (91 stitches per row from now on, including the two border stitches)

(Or you can create a single crochet foundation chain of 91 stitches)

Fasten off and snip your yarn.

- Row 2 - Using (Colour B) start from the left-hand side of your work and tie on your yarn, then work your border stitch (BS) by crocheting a single crochet (SC) through both loops of the same first stitch.

Then continue SC in the back loop of each stitch until you have one stitch left. Then create your last BS, again crocheting a SC through both loops. Chain 1 to fasten, then snip off your yarn.

- You can either follow the charts or the written instructions for row 3 and onwards.
  - If following the charts, follow pattern 1 first, and then continue onto pattern 2.
  - If following the Left-handed written instructions you can just follow each row, starting with row 1.

You can use this pattern checkbox to mark off when a pattern is completed. Helps you to remember where you are in the design. 😊
