Introduction

I designed this pattern with influences from various places that are close to my heart. The Castle shown is based upon Castle Campbell in the village of Dollar where I grew up. The standing stones are based upon the Machrie Moor Stones on the Isle of Arran. The mountains are based upon the mountain ranges within Glen Coe in the Highlands of Scotland.

I had so much fun drawing the design, and I really hope you like it, and it makes you think of my beautiful home of Scotland.

This pattern has all the charts and written instructions you need to complete the blanket. There is a separate full chart PDF that is compatible with Knit Companion if that's how you prefer to work. Otherwise you can use the charts in this document, either by printing them out and taping them together, or viewing them on your mobile / tablet / laptop.

The written instructions can just be followed as normal.

This design looks great either in two colours, or you could go for it and go full mosaic tapestry with many colours. The choice is yours.

Please note that this pattern does not give instructions on tapestry mosaic crochet.

Materials:

As this pattern hasn't been crocheted, I'm going to give a guesstimate of the amount of yarn you will require to crochet it.

If using Red Heart Super Saver, you will need approximately 14 skeins for the main body of the blanket (including a simple 3 row double border in colour A)

- 7 skeins for Colour A
 - (364 yards per skein) = total 2548 yards
- 7 skeins for Colour B
 - (364 yards per skein) = total 2548 yards

The afghan size with a small border will be approx. 52" wide x 74" tall

Abbreviations:

This pattern is using UK terminology.

- DC – Double crochet (single crochet in UK terms)
- TR – Treble crochet (double crochet in UK terms)
- BS – Border stitch

Mosaic crochet technique

- Every row is worked with **ONE** colour.
- Every stitch has one stitch worked into it, so in the written instructions, if you see 5TR, 2DC, you work one treble crochet (**TR**) into the next five stitches, then one double crochet (**DC**) into the next two stitches.
- Fasten and snip the yarn after each row.
- Always work on the front side only – mosaic crochet does not require you to turn your work. Start the next row from the right-hand side on every row.
- **BS** means border stitch. This is a double crochet (**DC**) through **BOTH** loops.
- A blank box means you will crochet a double crochet (**DC**) in the **BACK LOOP** of the stitch in the row below.
- A box with an X means you will crochet a treble crochet (**TR**) in the **FRONT LOOP** of the stitch two rows below.
- The charts are read from right to left.
- The written instructions are read from left to right

How to read a mosaic chart

Mosaic charts can be a little confusing when you first look at them, but they're simple to read once you understand what you're looking at. On the chart below, the pattern of green and white boxes you see, is how it will turn out once it has been crocheted.

You don't change colours halfway through the row to create the pattern.

When reading a chart, you start at the bottom right of the chart and work all the way across to the left of the chart. As shown below, you use one colour per row – all the way along. Fastening off at the end of the row and starting the next row again from the right-hand side.

Notes:

- These charts are just an example and don't relate to the patterns within this PDF.

How to read the written instructions

The table of written instructions for each pattern tells you which row you're on, and which colour to use on that row.

In the example below, row 1 is highlighted in white, therefore you are crocheting the whole row in colour A.

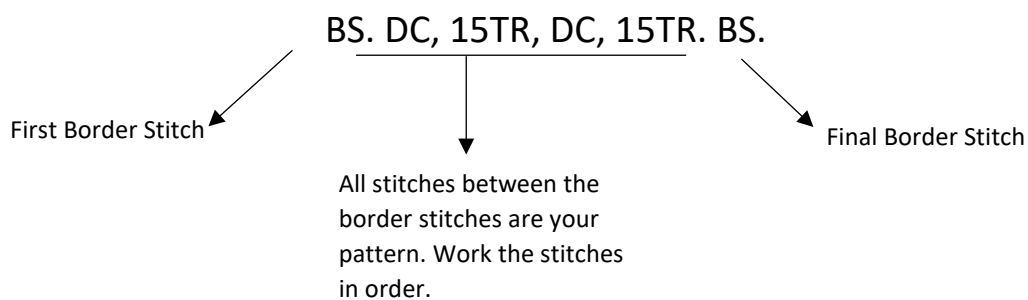

Row 2 is highlighted in green, therefore you are crocheting the whole row in colour B.

Once you have finished a row, you can use the checkbox to tick it off. So you remember which row you are currently working.

✓	Row	Instructions
	1	Chain 195. DC in the 2nd chain from the hook, and all the way along (194 stitches). Fasten off and snip your yarn.
	2	BS. 194DC. BS.
	3	BS. 2TR, 7DC, 5TR, 7DC, 5TR, 142DC, 5TR, 7DC, 5TR, 7DC, 2TR. BS.
	4	BS. 2DC, 7TR, 5DC, 7TR, 5DC, 142TR, 5DC, 7TR, 5DC, 7TR, 2DC. BS.
	5	BS. TR, 9DC, 3TR, 9DC, 3TR, 144DC, 3TR, 9DC, 3TR, 9DC, TR. BS.

In the written instructions for this pattern, you firstly create the beginning border stitch.

Then you work the stitches in order and then the final border stitch.

Starting out on the pattern

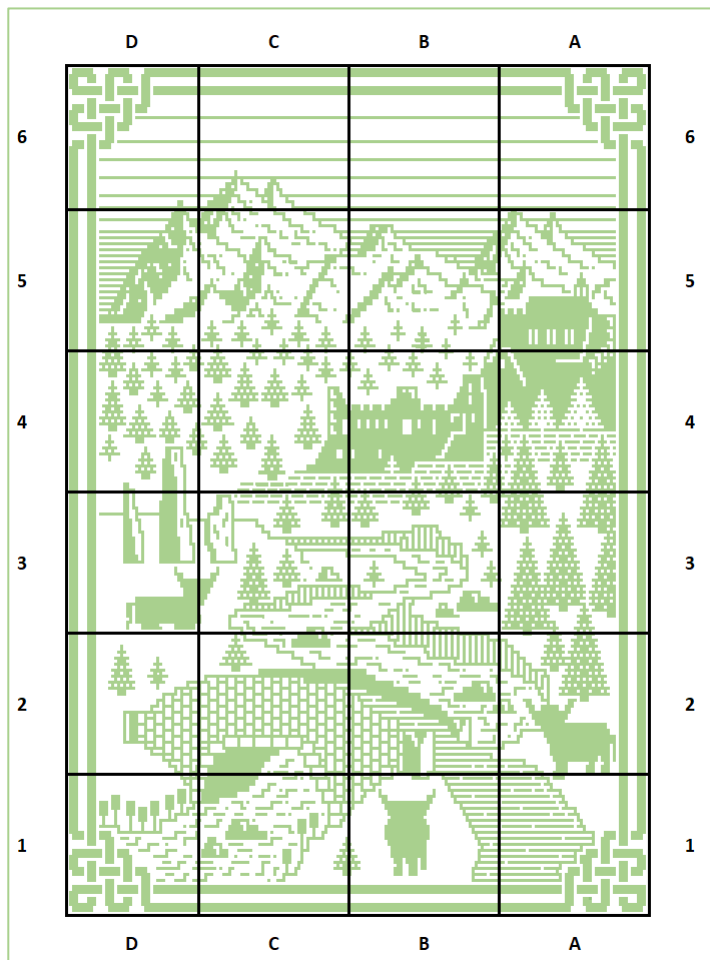

- Foundation Row 1 - Using (Colour A) chain 197. DC in the 2nd chain from the hook, and all the way along (196 stitches). Fasten off and snip your yarn.
- Foundation Row 2 - Using (Colour B) start from the right-hand side of your work and create your border stitch (BS) by working a double crochet (DC) through both loops of the first stitch. Then continue DC in the back loop of each stitch until you have one stitch left. Then create your last BS (a DC through both loops). Fasten off.
- You can either follow the charts or the written instructions.

- If following the charts, you crochet the row all the way along the lettered charts.

For example, for Pattern 1 – after row 1, you crochet row 2 starting on pattern 1A, then continuing onto 1B, 1C and finally 1D, ending with your final border stitch. You then start row 3 the same, 1A, 1B 1C and 1D.

You can print the patterns out and tape them together if it is easier for you to view.

- I have marked every 10 stitches in thick lines, just to help you remember where you are in the pattern. I'd suggest placing a stitch marker every 10 stitches to keep you right. You will have 19 stitch markers if you do this, and after the last stitch marker there will be 4 stitches left before the border stitch
- If following the written instructions, you can just follow each pattern starting at row 1.

You can use this pattern checkbox to mark off when a pattern is completed. Helps you to remember where you are in the design. 😊

Border options

There are few border options you can choose.

- You can weave all your ends in.
- You can crochet over your ends as you go.
- You can create a fringe border (remember and leave a good length at the beginning and end of every row).
- You can create a double border to hide in all your ends.
- You can create a double border to hide in all your ends.
 - This video by the talented Heather Noble is pretty much the same as how I do my double border. The only thing I do differently is in the corners, I do 2TR, CH2, 2TR

Remember to drop a hook size when crocheting your double border – this prevents the border becoming wavy. If you used a 4mm for the blanket, drop to a 3mm for the border.

For my borders I crochet 3 rows of TRs on both sides to create my double border, before doing one row of DC in to join both sides together.

I don't do the slip stitch method to start my double border. Instead, I do a round of front post TRs on both sides.

Always do the back of the blanket first, so the front side is neater.

- ← DC to join front and back border
- ← TR through both loops
- ← TR through both loops
- ← First border round – FPTR (Front Post Double Crochet)

I hope you enjoy creating your own Caledonia Blanket
